

## ARE YOU A “GUY’S GUY” SURROUNDED BY WOMEN IN YOUR DAILY LIFE?

Al Roker Entertainment is looking for “MANLY MEN” immersed in “GIRLY WORLDS” to star in a reality docu-series for a major network.

If you or someone you know is a manly guy working and/or living in a woman’s world, we want to hear about it!

If you’re a burly, bearded dude working in childcare, nail art or Pilates instruction, or if you look like a firefighter or mechanic but make your money by planning weddings or cheerleading – anything typically “girly” – then tell us your story!

Send us an email ASAP at [ARETVcasting@gmail.com](mailto:ARETVcasting@gmail.com) and tell us what makes you a guy’s guy in a woman’s world and why you think you’d be great on TV. Please include your name, age, contact info and a few photos, and we’ll be in touch!
